## **This film is about:**

*The Present is a 2014 animated short film that tells the story of a teenage boy who gets a three-legged puppy from his mom. At first the boy is dismissive of the puppy, but he eventually warms up to it.*

## **Activity**

1. Create a new title for the film. Give the boy and the puppy a name!
2. Why do you think the boy was dismissive of the puppy when he discovered that it only had three legs?
3. How do you think the boy and the puppy spent their afternoon? **Draw a picture** of something exciting that they did together.
